

FEATURED PRODUCT

Kri-Tech Bond Mats Made in Canada

KRI-TECH
PRODUCTS LTD

LTL IS A FULL STOCKING DISTRIBUTOR OF KRI-TECH PRODUCTS ACROSS CANADA

Designed and tested to be an effective method of providing portable safety protection for workers who come in contact or have the potential for electrical contact.

The mat creates an Equi-Potential Zone for the lineworker to stand on during various energized and de-energized work practices.

Canada's Only Patented Fabric-Based Ground Gradient Mat

Lightweight | Portable | Easy-to-Store

Part # HV-101-25-50V 58x58 with 3-Meter Cable Reflective Edges
Part # 101-25-50V 58x58 Non Skid with Reflective Edges
Part # 101-25-50SR 58x58 Non Skid

Material Composition:

High-ampacity tinned copper braid cable sewn in a grid pattern on to a high-strength flexible membrane. The braid has an inner conductor and a separate outer perimeter conductor for superior protection.

Applications:

When properly applied, use of the Kri-Tech Products Patented Bond Mat allows compliance with section 6.2.6 of CAN/ULC-S801-10 "Standard On Electric Utility Workplace Electrical Safety For Generation, Transmission, and Distribution".

The Kri-Tech Bond Mats provide electrocution protection when field workers are engaged in the following operations:

- Making cable terminations on transformers and in cubicles
- Opening or closing overhead air breaks
- Working on control boxes of regulators, reclosers, capacitors, and pad mounted switches
- Protecting workers with booms around power lines
- Stringing Operations
- Comply with standards when working on overhead power lines
- For work on VAC trucks and mobile equipment when operator and equipment require grounding

NAIL-Accredited High Voltage Testing, Calibration, Inspection and Factory-Authorized Repair Centres

- Live Line Tools & Ground Assemblies
- Metering, Instrumentation & Confined Space Equipment
- Rubber Goods (Insulating Rubber Gloves, Blankets, Covers, Line Hose)
- Fall Protection Equipment: Lanyards, Harnesses, SLRs, Slings & Rope
- Hoists & Chain Jacks Inspection & Certification
- Battery & Hydraulic Tool Repair
- Replacement Parts in Stock
